

# How To Read Your Bill

General contact information is provided here.

Customer name and billing address are printed here.

Each service will be listed individually on the bill. The service description, rate, meter#, readings and usage are printed at the top of each service.

A monthly usage graph provides a 13 month look at each service.

This area gives you the current months cost per unit and the average cost per day.

Please note any changes in your mailing address, phone number, or email.

Additional information is located on the back of your bill, including what to do when power is out, terms and definitions, past due information, payment methods, and auto bank draft application.
