NOTES

For customers located outside the city limits, BPU will designate meter location which typically is adjacent to existing water main. Customer shall be responsible for installing water line from the meter to the point of usage. The charge for this service shall be the "Outside City Limits" charge.

For the above fee, BPU will provide and install all material from the main to the meter, including the meter pit, tapping the main, and a valve on the customer's side of the meter. The meter is considered the "Point of Service" with the customer being responsible for all maintenance on their side of the meter.
